Pricing

You are welcome to attend individual classes for £4.00 per session however, if you chose to attend ALL of our sessions; here is the breakdown of pricing.

You will attend your evening of Ballet, Tap, Modern/Jazz + extra rehearsal = **Without Team Oasis Discount would work out at £16.00.**

With Team Oasis Discount will be £10.00.

Your Street Dance class does not apply for a discount so, you are required to pay = £4.00 for your Street Dance Class

You will attend all day Saturday; Musical Theatre Dance, Theatre Group and singing lesson = **Without Team Oasis Discount would work out at £8.00**

With Team Oasis Discount will be £6.00

Team Oasis Performing Arts Timetable September 2014 – December 2014

An **average Private Performing Arts Lesson price is £22.00 per hour.... Team Oasis offers ours at £12.00 per hour!** We can have two people sharing a private lesson however, no more than two.

ALL OF YOUR SUBS NEED TO BE PAID IN ADVANCED! We leave it down to you as to whether you would prefer to pay your subscriptions on a weekly basis; so every Friday or Saturday you will pay for the following week; or a 'two-weekly' basis where you will pay two weeks in advance or, the final option of paying on a monthly basis.

e.g. If you attend ALL sessions including Ballet, Tap, Jazz/Modern, Extra Rehearsals, Street Dance, Musical theatre Dance, Drama Theatre Group, Group Singing you will be required to pay £20.00 in advance to cover all sessions. To some, this may seem steep however when you work it out; each students gets there classes for a cost of £2.25 per class.

For eleven years Team Oasis Performing Arts has operated using a compassionate subs foundation where; if a student is unable to afford one, or maybe two classes per week due to very severe circumstances then they were welcome to attend for free until there circumstances improved; however, never for an elongated period of time. This had worked extremely well until recently. Unfortunately, this past year has witnessed a very small minority of Team Oasis Performing Arts users abusing this kind gesture causing a loss of nearly £6,000 per year through unpaid subscription fees. So in turn, we are unable to run compassionate subs from August 2014 onwards. I do apologise however, those abusing compassionate subs have left Team Oasis with no other option. I do hope that you can all understand.

Finally, you do not need to attend all of our sessions; we would never, ever, want you to feel pressured to attend all. Please pick what you would like to attend and enjoy it! If that is one session every week that is amazing! We simply want to bring the joy of the performing arts to Liverpool 8 and our Team Oasis Family ☺
